Ground School BOOT CAMP

Ground School Boot Camp is a one-week camp for students ages 12 and up which will serve as the beginning of their helicopter flight training. The camp will run Monday - Friday from 9 a.m. to 5 p.m. at the American Helicopter Museum & Education Center located in West Chester, PA. By the end of the week, each student will have accumulated 35 total hours of ground school from a Certified Flight Instructor and will be logged and signed in their Pilot Log Book. Ground School Boot Camp will be given classroom/ lecture style which ground school is most commonly given, along with utilizing the museums exhibits and working helicopters for a hands-on experience and better understanding of lessons. Within the one week period, students will cover the FAA Rotorcraft Flying Handbook and be expected to read, review and be quizzed on the material.

☞ Take ground school at a fraction of the price normally charged from flight schools while being taught by one!

☞ Each student will officially log in their Pilot Log Book 35 hours of Helicopter Ground School from a Certified Flight Instructor!

☞ Some topics that will be covered are Helicopter Aerodynamics, Airport Operations, Radio Calls, Weather, Helicopter Maneuvers, Approaches and Takeoffs, Pilot Certification Process, Navigation and Charts, Airspace and more!

☞ Ground School Boot Camp will cost \$500 per student for the week and they will be required to bring all necessary supplies. Or \$600 and the museum will provide all text books, pilot log book, binders, writing instruments and a flight bag for the student.

☞ There are four (4) separate camp sessions to choose from:

June 27th - July 1st
July 18th - July 22nd
August 1st - August 5th
August 15th - August 19th

☞ Each student is responsible for bring a packed lunch everyday except the last day of their camp session (Friday) which will be provided by the museum.

Ground School Supplies:

Each student is responsible for bringing these items with them to ground school. For an extra fee, the museum will purchase these items and also a flight bag for the student to use and to keep after ground. Please indicate on the registration form of your choice.

FAA Rotorcraft Flying Handbook
ASA Principals of Helicopter Flight
Pilot Log Book
Notebook & Writing Instruments

Our museum and education center has a motto and a purpose. With the help of Certified Flight Instructors (CFI's) from Liberty Aviation Flight School, we are able to give a unique and amazing opportunity to any person between the ages of 12 and up to jump start their rotary wing flight training!

Dream... where the sky's the limit
Start Here!

Ground School Boot Camp will allow each student to take a bulk of their ground school for a fraction of the actual price!

Educate... at the only museum dedicated to rotary wing aviation

Educational & Fun!
No better place to take your ground school than the

helicopter museum to truly have a hands-on experience!

Inspire... the future pilots, engineers and aviation enthusiasts

That's You!

Our purpose is to not only to educate you but to inspire you to continue with the rest of your flight school training and the resources to do so after this program!

By the end of the week long camp session, each student will have completed 35 hours of ground school in which the Certified Flight Instructor will log and sign off on in the students Pilot Log Book.
